Distinctive Overcoats for Men

At \$20.00, \$25.00 and \$30.00

The season's demand for overcoats has been infinitely greater than the tailors-to-the-trade anticipated. With but one or two exceptions, our contemporaries find their stocks at ebb. Gaps in sizes and an incomplete variety of styles and models is the rule rather than the exception, with those who depend upon the general market for their garments. Some of them have chosen the greater of two evils and accepted the flotsam and jetsam of the market-garments of a wholly uncertain character. Since we maintain our own tailoring shops it has been possible for us to "keep constantly at it." Even unto the eleventh hour does our stock promise a collection of overcosts abreast with it in style, complete in sizes, and replete with the fabrics and designs that have found the greatest favor.

Box Models, single and double-breasted, 44, 46, 48, 50 and 52 inches long. Tourist models, single and double-breasted, with or without belt Paddock and Paletot Overcoats in a most diversified series of styles and fabrics.

That Collection of

Suits for Men at \$12.50
